**REPACK Elden Ring: Deluxe Edition [+ DLC]Torrent**

The Land Between is a fantasy world where the laws of nature have changed to allow gods and demons to exist. The setting includes the ordinary world, where other races live with the majesty of the gods, and the Lands Between, which is a narrow passage that connects both worlds. As an avatar of one of the six gods, Elden, you descend into the Lands Between to establish the Elden Kingdom. The Lands Between is a magical place of wonder and danger, and players encounter various challenges as they develop their skills and grow more powerful. The game is a fantasy action RPG developed by Spicy Horse.
